New Online Membership Database-

- We have a new online membership database. You can access it from the NBHA website (www.nbha.com). Click on "members" and then click on "Search for Members". You can search for a specific member, or bring up the entire state or district membership. In the interest of member privacy, we are not including addresses, so if you need a list with addresses, you can still get that emailed to you from Headquarters, but you can check whether members have renewed or declared into or out of your district.

Members may also use this page to check on the status of their membership.

Tough Enough To Wear Pink is Back in 2010 !

- Wrangler, Gist and other western industry leaders will be continuing the Tough Enough To Wear Pink campaign to raise money and awareness for breast cancer research.
- All states that do so will be entered into a drawing. We will pull out 1 ticket at the World show. The NBHA will triple whatever you donated and give it back to you. AND we will give you 10 free NBHA memberships to use as you would like in your state. Congratulations to Cara Kaufman and the NBHA Ohio for winning the 2009 drawing.
- It will be a very simple process to add 50 cents to each entry on the entry form and that way you are not taking out of your profit. I am sure that you can think of many other fun ways to make money for this cause.
- Additionally, the NBHA is looking for stories to publish in BarrelHorseNews of how this disease has touched your life. ***We would appreciate any names you may have of members who are cancer survivors who wouldn't mind being interviewed.***
- We are proud to be a part and are asking for your support.

WE HAVE APPROXIMATELY 1800 ENTRIES IN THE YOUTH WORLD !!
