### World Qualifiers

Please turn in your World Qualifiers as soon as possible after your show season is complete. Include membership numbers on your report.

Our new rules allow districts with over 100 members to qualify more than 5 riders per division. Enclosed is a sheet telling you how many riders you may qualify per division. This is based on the membership as of June 30.

Don't forget to separate out your Youth qualifiers into Teen and Youth. A child's qualifying age is determined by their age on January 1, 2011. Anyone born on or

after January 1998 is a Youth rider. Anyone born before January 1, 1998 is a Teen rider.
