

National Barrel Horse Association

The National Barrel Horse Association is a world wide "not-for-profit" organization with local districts in your neighborhood. The state of Massachusetts has the MA01 District.

We are a group of people who come from all walks of life to share their love of horses, family and the outdoors. We run our horses in a cloverleaf barrel pattern against a clock. We race almost every weekend from May thru October. On average there are 50 to 80 competitors at each event.

The **STATE CHAMPIONSHIP** held September 11 – 12th is the biggest show of our 2010 season. We have more than 80 competitors expected this year and more than 150 spectators with money and prizes reaching \$10,000 -\$15,000.

We need sponsors like you to make this weekend a success. We are selling ad space in our program book that will be distributed to all spectators and contestants. Those who buy ads are considered sponsors of the MASSACHUSETTS NBHA STATE CHAMPIONSHIP and are continuously mentioned throughout the weekend, along with your ad space in the program book and year round link access from the websites. This is a fabulous opportunity to get your business recognized. There are four options to support this event starting as low as \$50. **Members who purchase items or services from a sponsor can turn in their receipts for a sponsor award at the State Championships . This is a win win situation for you and the members The member is required to turn in the receipt all you have to do is become a sponsor.**
